# Classic Extra Virgin Olive Oil

We are proud to introduce to you one of Italy's finest treasures. As one of the leading producers of olive oil, Italy is known for its superb quality, flavour and consistency. Extra Virgin Olive Oil is the highest grade attainable for an olive oil having an acidity level of less than 1%. This is the most popular and renowned olive oil.

Today's nutritionists recognize that olive oil aids in fundamental functions of supplying lipids, vitamins, natural enzymes, and biochemical elements that aid in our circulatory and digestive system.

Borrelli Extra Virgin Olive Oil is made with methods that, despite modern technology, have maintained much of a craftsman-like process that guarantees the integrity of this fine oil. It is an oil of 100% Italian origin.

- Borrelli Extra Virgin Olive Oil is a product of the first cold pressing of carefully hand picked olives, and it's acidity is less than 1%.
- It is a genuine aromatic oil that is delicious, beneficial, and full bodied. It is the heart of the Mediterranean diet.
- Because of it's nutritional qualities, this oil is recommended as a raw condiment. It is Trans Fat and Cholesterol Free.
- Consumers agree that Borrelli Extra Virgin Olive Oil is a product of passion and craftsmanship second to none.
